

**GLOBASKET**

**MINI CUP**

**2024**

**From Friday 31st  
May until  
Sunday 2nd  
June 2024**

# MINI CUP

**Globasket** aims to carry out the first edition of the **GBK Mini Cup 2024**, addressed to youths near the end of the season, both sporting and school, allowing them to experience something new and participatory.

In this activity, both **international** and **Spanish groups** will participate, with the intention that players and their families join a sporting and educational experience in which they can establish friendships and contacts with other basketball players from different areas, territories and countries.

It is important to note that group **places are limited**. Once we have filled the playing groups, we cannot admit more groups. Therefore, we encourage all interested parties to pre-register as early as possible, before December 31, 2023.

The **GBK Mini Cup 2024** is open to girls and boys in the **U11** and **U12** categories. It will take place from Friday afternoon, May 31<sup>st</sup>, until Sunday, June 2<sup>nd</sup> at 18:00.
